

Cross Timbers Youth Orchestra

Elementary Strings

Scholarship Application

Scholarship music programs have demonstrated repeatedly that students make progress when they have a financial investment in their musical development. Cross Timbers Youth Orchestra/Elementary Strings offers a limited number of scholarships on a first-come, first-serve basis. The scholarship amount is determined as a percentage of the tuition fee by the Scholarship Review Committee. CTYO/ES is a not-for-profit organization and will do everything possible to assist students with financial need. Some financial commitment is required for either a percentage of the tuition or the instrument rental.

Scholarship applicants must demonstrate financial need by meeting the criteria listed below:

- **Currently enrolled in the school lunch program. Please attach a copy of their school lunch certificate to this application.**
- **Partial scholarships are also available for extenuating circumstances. Please attach additional information explaining reason for need.**
- **Obtain music teacher's signature for recommendation.**

Child's Name	Grade	Age
